The Pope's Prayer Intention for July

For a Eucharistic life

We pray that Catholics may place the celebration of the Eucharist at the heart of their lives, transforming human relationships in a very deep way and opening to the encounter with God and all their brothers and sisters.

Peter's Pence collection

Thank you to all who donated to the second collection for Peter's Pence last weekend. We raised £147.50

There will be a second collection this weekend for Sea Sunday.

Seafarers and fishers play a vital role in all our lives, but they often work in difficult, hazardous conditions. Many are reporting more stress and poorer mental health.

Your support will make a big difference to seafarers and fishers in need and is vital to enable Stella Maris (formerly called Apostleship of the Sea) to continue its important work so please give generously.

Fix the Food System

CAFOD's food campaign is urging the UK government to protect the right of farmers around the world to use their seeds.

Seeds are life. They are the very foundation for farmers to produce the food that feeds us all.

For generations, small-scale farmers have freely swapped and shared a wide variety of seeds to produce food and maintain biodiversity. More recently, farmers have also developed seeds that ensure crops are resilient to climate change. However, their right to choose what seeds they use is increasingly under threat as new laws are introduced across the world that limit what small farmers can do with their seeds. If you'd like to know more, and how you can help, please follow this link: <https://cafod.org.uk/campaign/fix-the-food-system>

Reflection

Great things are not accomplished by those who are full of pride and faith in their perfection, but by the wise and prudent. Choosing the little ones is a clear message that everything that happens around us, in us and thanks to our efforts, is grace. God in Jesus is full of simplicity. He does not call us with the words, "Come before my throne, fall on your knees, and kiss my feet." His call is: Take my yoke upon you and learn of me. To humble oneself before Jesus is to learn from Him. We have no reason to tremble with fear. The worst thing we can do is to persist in sin and yield to the whisperings of the enemy who finds true satisfaction in accusing us before God.

Lord Jesus, you teach me that the simplicity of a child is the most precious. She opens your heart and arms when I return from sin to grace. Only in you do I find rest. Amen.
